

Save with Zebra's Printhead Protection Program

Replacement Printheads at No Cost

Printheads wear down. Quality suffers. Then you pay for replacements. You may think that's the cost of doing business, but it's actually an unnecessary cost. When you enrol in Zebra's Printhead Protection Program, you receive new printheads and it costs you nothing.

The Zebra Printhead Protection Program enables you to receive new printheads as part of a package deal to reward the purchase of Zebra Certified Supplies.

The reality is you could save considerable amounts of money by participating in the Zebra Printhead Protection Program. Remove replacement printheads from your expense list.

Simply commit to a label print volume using Zebra Certified Supplies, optimized for Zebra printers. After that, all of your replacement printheads will be covered at no cost!
